

The Genuine. The Original.

Built better from the inside out

Bonded steel, polyurethane and vinyl

provide you with incredible strength, impressive sound absorption and energy efficiency with an R-value of 11.75.

Deep raised panels

have rich woodgrain texture for the timeless look of freshly painted hardwood. Available in standard panel style only.

Through-and-through color PVC construction

means the color goes all the way through the exterior vinyl skin so scratches are minimized.

UV-resistant resin

contains special polymers that protect your door from the sun's harmful ultraviolet rays.

Twin structural struts of 22-gauge steel C-channels run the full length of each panel and are anchored to interior steel stiles for strength.

The Genuine. The Original.

Since 1921, Overhead Door Corporation has not only raised the standards of excellence for the industry – we've created them. Overhead Door created the original overhead door in 1921 and the first garage door opener in 1926.

Today, our 450 Overhead Door Distributors are still leading the way with innovative solutions and unmatched installation, service and support. So look for the Red Ribbon. It's your guarantee that you're getting the genuine, the original Overhead Door.

Limited warranty

Overhead Door garage doors are backed by a limited warranty that protects against section rust-through for as long as you own your home. Also included is a one-year non-transferable, limited warranty ensuring high standards for materials and workmanship. The Product is not recommended for use in hot, dry climates. This warranty specifically excludes coverage for any Product used or installed in Utah, Arizona, Nevada, New Mexico, Colorado and the West and Southwest regions of Texas.*

* Warranties vary by model series. See warranty for full details.
